

ACKNOWLEDGEMENT

Praise and gratitude to God Almighty for His blessings and grace so that researchers can complete a research thesis entitled “Increasing the students' Vocabulary Mastery through WordWall Application at Seventh Grade at UPTD SMP Negeri 2 Gunungsitoli Alo'oa.”

This thesis is submitted as part of the requirements to complete studies in the English Education Study Program at Nias University. The completion of this thesis would not have been possible without the support, guidance, and encouragement of many parties, for which the researcher expresses her deepest gratitude. The researcher would like to express her sincere appreciation to:

1. Mr. Delipiter Lase, S.E., M.Pd., as the daily executive of rector for his leadership at Universitas Nias in completing the thesis
2. Mr. Dr. Yaredi Waruwu, S.S., M.S., the Dean of the Faculty of Teacher Training and Education, for his consistent encouragement and efforts in enhancing the academic standards of the faculty, which have been invaluable to my personal and professional growth.
3. Mr. Afore Tahir Harefa, S.Pd., M.Hum., the Head of the English Education Study Program, for his steady support, guidance, and dedication to creating a positive environment for student development.
4. Mr. Riswan Zega, S.Pd., M.Hum. as the Secretary of the English Education Study Program, for his endless help and encouragement, which has been instrumental in completing this thesis and fulfilling other academic requirements and my thesis supervisor, for his invaluable advice, thoughtful criticism, and constructive input during the preparation of this work. His expertise and patience have contributed greatly in improving the quality of this thesis.
5. All the lecturers in the English Education Study Program, whose dedication to teaching and mentoring has provided me with the knowledge and skills necessary to undertake this research. Researcher also extend my appreciation to all faculty members at the University of Nias who have contributed to my academic journey.
6. My dearest family, who have always provided unwavering love, prayers, and support both moral and financial, which has been the foundation for the

researcher perseverance and success. Their encouragement has boosted the researcher determination to achieve the researcher goals.

7. Friends, for the friendship, motivation, and invaluable discussions that have enriched the researcher academic experience and made this journey more fulfilling.

The researcher realizes that this research thesis is not without flaws. The researcher invites constructive feedback and suggestions for its improvement. Hopefully this thesis can make a meaningful contribution to the field of English education and inspire further exploration in developing higher order thinking skills in learning materials.
