| LIST OF CHARTS.....                                       | x    |
| LIST OF APENDICES .....                                   | xi   |
| CHAPTER I INTRODUCTION.....                               | 1    |
| 1.1 Background of the Problem.....                        | 1    |
| 1.2 Formulation of the Problem.....                       | 3    |
| 1.3 Objective of the Research.....                        | 4    |
| 1.4 Product Specification .....                           | 4    |
| CHAPTER II LITERATURE REVIEW .....                        | 7    |
| 2.1 Theoretical Framework.....                            | 7    |
| 2.1.1 Definition of Interactive Educational Game .....    | 7    |
| 2.1.2 Benefits of Interactive Education Game .....        | 7    |
| 2.1.3 Principles of Interactive Educational Game.....     | 8    |
| 2.1.4 Procedure of Interactive Educational Game           |      |
| Implementation.....                                       | 9    |
| 2.1.5 Speaking Ability in Language Learning .....         | 11   |
| a. Definition of Speaking.....                            | 11   |
| b. Elements of Speaking .....                             | 11   |
| c. Types of Speaking Skills .....                         | 13   |
| d. Factors Affecting of Speaking Skills.....              | 15   |
| e. Speaking Assessment.....                               | 15   |
| 2.1.6 ADDIE Model .....                                   | 19   |
| a. Analysis.....                                          | 19   |
| b. Design .....                                           | 19   |
| c. Development.....                                       | 19   |
| d. Implementation.....                                    | 20   |
| e. Evaluation.....                                        | 20   |
| 2.2 Relevant Researches.....                              | 20   |
| 2.3 Conceptual Framework .....                            | 22   |
| 2.4 Advantages and Disadvantages of Interactive           |      |
| Educational Game .....                                    | 25   |
| 2.4.1 Advantages of Interactive Educational Game .....    | 25   |
| 2.4.2 Disadvantages of Interactive Educational Game ..... | 26   |
| CHAPTER III RESEARCH METHOD .....                         | 27   |
| 3.1. Research and Development Method .....                | 27   |
| 3.1.1 Data Collecting Techniques .....                    | 29   |
| a. Observation .....                                      | 29   |
| b. Interview.....                                         | 30   |
| c. Oral Test.....                                         | 32   |
| 3.1.2 Data Analysis Technique .....                       | 34   |

|                                                                               |           |
|-------------------------------------------------------------------------------|-----------|
| a. Quantitative Analysis.....                                                 | 34        |
| b. Qualitative Analysis.....                                                  | 35        |
| <b>3.2 Procedure of Development .....</b>                                     | <b>35</b> |
| 3.2.1 Analysis.....                                                           | 36        |
| 3.2.2 Design .....                                                            | 36        |
| 3.2.3 Development.....                                                        | 37        |
| 3.2.4 Implementation .....                                                    | 41        |
| 3.2.5 Evaluation.....                                                         | 42        |
| <b>CHAPTER IV RESULT AND DISCUSSION .....</b>                                 | <b>46</b> |
| <b>4.1 Research Finding .....</b>                                             | <b>46</b> |
| 4.1.1 Analysis .....                                                          | 46        |
| 4.1.2 Design.....                                                             | 51        |
| a. Game Content Design .....                                                  | 52        |
| b. Material Design .....                                                      | 54        |
| 4.1.3 Develop .....                                                           | 56        |
| a. Validation Result .....                                                    | 57        |
| b. Product Revision.....                                                      | 63        |
| 4.1.4 Implementation .....                                                    | 64        |
| a. The Implementation of<br>Interactive Educational Games.....                | 64        |
| b. The Result of<br>Implementation: effectivities .....                       | 65        |
| 1) Effectivity of interactive educational game.....                           | 65        |
| (a) The result of Experimental Group .....                                    | 66        |
| (b) The result of control group.....                                          | 67        |
| 4.1.5 Evaluation.....                                                         | 69        |
| (a) Questionaries .....                                                       | 69        |
| (b) Observation sheet to the Researcher<br>in teaching learning process ..... | 70        |
| (c) Observation Sheet to the Researcher<br>in Teaching Learning Process ..... | 73        |
| (d) Lesson plan validation results .....                                      | 73        |
| 4.2 Discussion.....                                                           | 75        |
| <b>CHAPTER V CONCLUSION AND RECOMMENDATION .....</b>                          | <b>78</b> |
| 5.1 Conclusion .....                                                          |           |
| 5.2 Recommendation.....                                                       | 79        |
| <b>BIBLIOGRAPHY.....</b>                                                      | <b>81</b> |
| <b>APPENDICIES.....</b>                                                       | <b>84</b> |

## LIST OF TABLES

|                                                                                   |    |
